Dear Mr. Zagari:

Thank you so much for your gracious letter about our all too short meeting a few weeks ago. I feel that it was a very worthwhile and enlightening exchange.

I do hope that it will be possible to continue our discussions at a future date. I look to the possibility of a trip to Europe in the Spring of 1978 and am considering the opportunity this would allow for coming to Strasbourg. The benefits derived from a continued exchange of views would be mine.

With best wishes to you and to Dr. Czernetz for the New Year,

Sincerely,

S 12/19
